Giveaways

Each week in September, we'll give away SIX tote bags filled with \$100 worth of local goodies — \$3,000 worth in all!

Enter to win on Instagram, Facebook, or willystreet.coop/eat-local-month, and enter in the store.

One online and one paper entry per person per week. No purchase necessary.

Why eat local?

Local foods tend to be fresher than those shipped from across the country or farther away, and fresh food has more nutrients. You're also supporting your local farmers and keeping the agricultural viability of their communities alive.

There are even more Owner-only sales each week!

For a full list of sales, see the flyers in the store or at www.willystreet.coop/owner-rewards.

Visit willystreet.coop/emails to get sales fliers sent to you! Sales for Willy Street Co-op Owners only both online and in-store.
