

**3 Siren Shrub Co. Tart Cherry Sparkling Shrub** As someone who doesn't drink alcohol, I'm always on the look out for an interesting non-alcoholic drink that isn't soda. Siren Shrub Co's sparkling shrubs are such a nice non-alcoholic drink option for special occasions! The flavor is complex and pleasant. Not super sweet like sodas or juices. I would compare the taste to kombucha but with more prominent fruit and herb taste. For those who partake, the shrub can be used as a mixer in a cocktail (there are cocktail recipes on their website) but they're amazing on their own. I also love that Siren Shrub Co. a local and woman owned business! • **Hahna**

**4 Red Radishes** My grandpa loved 'em, My dad loves 'em, and I love 'em, too. They add a fresh crisp to any salad with just a little bite. Great for a snack sliced thin, or chomp on 'em whole. • **Mourning Dove**

**5 Renard's Creamy Salsa Spread** Creamy Salsa Spread? More like Dreamy Salsa Spread! This is an awesome spread for burgers, with a taco salad, or eaten with a spoon while no one is watching. Plus it won't break the bank! • **Dan**

**2 Wisco Pop! Organic Grapefruit Soda** The most delicious beverage in the world. Sweet but not too sweet. Tangy grapefruit with a hint of lime. Super refreshing and so so good! • **Liz**

**1 Giant Jones Brewing** Don't overlook these single bottles! Giant Jones quickly became one of my favorite local brewers once I discovered them. They specialize in stronger, darker brews and bottle into the one "giant" 500mL size. Aside from every beer they put out being phenomenal, Giant Jones is certified organic, woman-owned and queer woman operated right here in Madison. • **Grant**

**6 Sartori Montamoré Cheddar Cheese** This is my overall favorite cheese. It's a semi-crum-bly aged cheddar with crystals of flavor (due to the aging process). IT'S SO GOOD! I always have some on hand to share with guests visiting from outside Wisconsin. Great for cheese plates, in grilled cheeses, crumbled on top of salads, melted into mac n cheese, or straight outta the package. • **Melissa**

**7 Untitled Art CBD Water - All Varieties** A light, refreshing, subtly flavored sparkling water with a little something extra. It's a bit pricier than Klarbrunn or La Croix, but now those just feel like pale substitutes. All the flavors are good, but the Blackberry is my favorite. I like to treat myself to these during a hectic day at work or in the evening before I go to bed. • **Jesse**

**8 The Original Bitchin' Sauce - The Almond Dip** It is so tasty! Great on crackers, veggies, pita, put it on a sandwich, or just your finger. I love this new sauce. It is my go to when I need to bring something to a party. I have my friends hooked! • **Amanda**

**9 McClure's Garlic Dill Pickles** As a lifelong pickle lover, these are my go too. Very flavorful and crunchy, sometimes they become my whole meal because I can not eat just one. They pack the jar full, and it is worth every penny! • **Abigail**

**10 Echo Falls Smoked Coho Salmon Trio** Are you looking for a treat? This product does not disappoint! With three different varieties to entice your palette, switch up the flavors on top of bagels with cream cheese, in an omelette, on crackers, etc.; eat for a week by yourself or a platter at a party! • **Laura**

**11 Pasquals Original Southwest Tortilla chips** So dang good! With dip, without dip. So much flavor!!! • **Amanda**

**12 Field Roast Frankfurters** This is hands down the best vegan hot dog you will ever have! The texture and flavor are spot on and the flavor combos are limitless. My favorite thing to do is get poppy seed buns, wild relish and hot peppers and recreate a vegan version of a Chicago style hot dog. You won't regret getting these!! • **Katherine**

**13 Silver Creek Venison Summer Sausage** Tastes great, and it doesn't get much more "Wisconsin" than venison! • **Joe**
